

ABOUT WANDERING BELLA

Wandering Bella Photography Studios (W.B. Studios) specializes in custom photography providing expressive, artistic photographic services, tailored to each client. We understand that each client's photographic style will be different, and aim to create dynamic, comfortable photography sessions that allow the client to relax and reveal his or her true personality.

THE PHOTOGRAPHER

Trudian (Trudy) Trail is the primary photographer and editor and CEO of W.B. Photography and aims to provide professional and timely service to each client. She has a creative and keen eye, and focuses on the distinct and unique features of a subject by highlighting and accentuating the unnatural, resulting in photos that parallel no other.
